

MEMBER CONSENT TO ELECTRONIC TRANSMISSION

As a member of the Alvarado Community Association (“Association”), you must provide written consent in order to receive official communications from, and to send official communications to, the Association via electronic transmission (fax or e-mail).

This consent form will allow the Association to send you meeting notices, budgets, insurance information and provide you with copies of other Association documents by electronic transmission (fax or e-mail). It also allows you to send the same types of information to the Association via fax or e-mail.

Before signing this consent form, please review and be aware of the following:

1. You are not required to sign this form. You may request that meeting notices and other matters of official business be sent to you via regular mail.
2. You have the right to withdraw your written consent at any time after signing this form by providing the Association with written notice that you are withdrawing your consent relative to electronic transmission. No fee will be charged for withdrawing your consent.
3. This consent to electronic transmission is broad, and may include transmission of meeting notices, budgets, collection policies, fine policies, reserve funding plans, and other important information regarding the Association. This consent form represents consent under California Corporations Code Section 20 (transmission from and to the Association). This consent form also meets the requirements for consent under the federal Electronic Signatures in Global and National Commerce Act (15 U.S.C. Sec. 7001(c)(1)).
4. Consenting to electronic transmission via fax requires that you have access to a fax machine and have a current fax number on file with the Association.
5. Consenting to electronic transmission via e-mail requires that you have access to a computer, have a current e-mail account in your name, and have provided your current e-mail address to the Association.
6. This consent form cannot be used for the transmission of ballots. Ballots must be sent by the Association and received by the Association via mail.

The undersigned Association member has read and understands the foregoing, and hereby provides this written consent to receive and send information, including but not necessarily limited to meeting notices, budgets, and other information regarding the Association, via electronic transmission (fax and/or e-mail), until such time as this consent is revoked in writing.
